The said County Board shall also have power  
to fill, by appointment, all vacancies which  
may occur in the respective School District

**Sec. 33.** That the said Trustees, within  
fifteen (15) days after their appointment or  
election, shall take an oath of affirmation  
faithfully and impartially to discharge the  
duties of their office, which oath the members  
are authorized to administer to each other.  
**Sec. 34.** That it shall be the duty of the  
said Trustees, as soon as practicable, to con-  
stitute a quorum, to meet at such place as they  
after having been appointed or elected and  
qualified, at such place as may be most con-

pointing one of their number Clerk of the  
Board, who shall preside at the official meet-

"Sec. 4. The business of the company SHALL be conducted on the plan of DISTRI-  
BUTING TO THE POLICY-HOLDERS THE PROFITS of the business, as hereinafter  
provided, unless by the consent of the assured the policy is non-participating."  
"Sec. 5. This company may issue policies on the lives of husbands and parents, or  
others, for the benefit of wives and families, or other beneficiaries interested in their  
lives—as ancestors, descendants, creditors or dependents, and the same shall not be liable  
for the debts or contracts of the assured, except as provided in the policies issued."  
"Sec. 10. The company may issue policies payable IN GOLD: Provided, Premiums  
are paid in the same."  
"Sec. 16. The permanent investment of funds shall be in mortgages or liens on UN-  
ENCUMBERED REAL ESTATE WORTH DOUBLE THE AMOUNT LOANED."  
We would also call attention to the rights secured in policy as part of the contract.  
Rights of party to non-forfeiture in all its policies.  
Right of party to re-investment—policy and surrender value where "inter-  
vention of armies" or any other cause out of the control of the insured, very heavily  
in the late war, and should make them seek the only company that provides against such  
contingency in future. Some companies now have in their policies, that parties who  
"take up arms against" certain named States, "or the United States," render their policy  
null and void. This is making certain what was before uncertain, and is too great a  
mingling of politics, war and life insurance.  
"THE PIEMONT AND ARLINGTON" has a model charter and model policy, plainly  
state rights of parties and guarding those rights against forfeiture.  
It gives dividends at the end of the first year, when all cash is paid, and of second year,  
when part loan is taken. The all cash plan is unreservedly recommended as in every  
way most satisfactory.  
We now confidently appeal to every one interested in Southern prosperity to look to  
their own interests, by sustaining their own institutions, and thereby establishing that  
self confidence without which there can be no permanent prosperity. Bear in mind that  
already over \$10,000,000 are annually sent North for Life Insurance, taking so much  
from our strength, and thereby giving additional power to our competitors.  
We offer a solid, reliable Life Insurance Company, thoroughly Southern, in the hands  
of men of the highest integrity, with abundant assets, recent risks, the most secure of all  
investments, pledged to retain within the State of South Carolina all funds accruing therein,  
and, indeed, preserving every advantage that can be desired; and we only ask a full ex-  
amination into the superior merits of the "PIEDMONT AND ARLINGTON LIFE IN-  
SURANCE COMPANY" to insure your patronage.  
The Company has complied with the law of the State, requiring a deposit of \$50,000  
in State bonds, with the State Comptroller, for the better protection of policy holders.
